

**bio-techne**

Dear Valued Customer,

This letter is to notify you that the billing entity for all Atlanta Biologicals orders and invoices will be changing. On July 1<sup>st</sup>, 2019 *all purchase orders* will be required to be made out to **Bio-Techne Sales Corp.** In addition, all invoices distributed after July 1<sup>st</sup>, 2019 will come from **Bio-Techne Sales Corp.**

Please be proactive in notifying your purchasing group about this billing entity change, so that we can continue to deliver our high-quality serum and cell culture products to you reliably and quickly.

Your purchasing group may require a new W-9. For your convenience, the Bio-Techne Sales Corp W-9 form can be accessed here: [www.bio-techne.com/W9](http://www.bio-techne.com/W9)

Atlanta Biologicals became a part of the Bio-Techne family in January 2018. The change in billing identity to **Bio-Techne Sales Corp.** is an exciting step toward making it easier for you to purchase Atlanta Biologicals products alongside reagents and instruments from Bio-Techne's multiple brands using a single purchase order. This will simplify your ordering and enable you to realize the full portfolio and benefits they bring to support your research workflow. Atlanta Biologicals will be the first to transition to Bio-Techne Sales Corp. In the coming months, this transition will take place for Bio-Techne's other brands, including R&D Systems, Novus Biologicals, Tocris Bioscience, and Protein Simple.

If you have any questions or concerns regarding this change, please contact the Customer Care Team at Bio-Techne: 1-800-343-7475 or [customercare.na@bio-techne.com](mailto:customercare.na@bio-techne.com).

Thank you for being a valued customer of Atlanta Biologicals. We look forward to serving you in the future.

Sincerely,

Scott Schachtele  
Product Manager, Cell and Gene Therapy
