

# 2024 Quality Highlights

## Vision

Together, we unlock the possibilities of science.

## Mission

We improve the quality of life by catalyzing advances in science and medicine.

## Bio-Techne Quality Policy

Bio-Techne is committed to providing the highest quality products and services to our customers through fulfilling **customer requirements and expectations** on a daily basis while meeting the **regulatory requirements** by maintaining the effectiveness of Quality Management Systems. This commitment to quality is achieved through continual quality improvement and is integral to the selection of our suppliers, contractors and partners. We are dedicated to providing cutting-edge research tools, customer-oriented laboratory services and best-in-class diagnostic assays.

## Our People

- Culture of Quality
- Customer first
- Quality and integrity embedded into all we do

## Certifications

A broad range of certifications across the business.

→ [See Table on Next Page](#)

## Governance

Dedicated teams of Quality experts driving compliance and improvement across the organization.

## Environment

**Goal:** To reduce environmental impacts and conserve natural resources across all business processes.

## Portfolio

### Protein Sciences Segment (PSS)

#### Reagent Solutions Division (RSD)

BRANDS R&D Systems™  
Tocris Bioscience™  
Novus Biologicals™

#### Analytical Solutions Division (ASD)

R&D Systems™  
Namocell™  
ProteinSimple™

### Diagnostics & Spatial Biology Segment (DSS)

#### Bio-Techne Diagnostic Division (BDD)

R&D Systems  
Clinical Controls™  
BiosPacific™  
Eurocell™ Diagnostics  
ExosomeDx™  
Asuragen®

#### Spatial Biology Division (SBD)

ACD™  
Lunaphore™
