Bio-Techne Ireland Ltd

Company registration number 690278

WEEE Take-Back Statement

Bio-Techne Ireland Ltd is committed to meeting the requirements of the European Union (Waste Electrical and Electronic Equipment) Regulations 2014. These Regulations require producers of electrical and electronic equipment to finance the takeback of WEEE resulting from products that we place on the Irish market. This helps us to ensure that WEEE is reused or recycled safely. In line with that commitment Bio-Techne Ireland Ltd will take back WEEE from you. Please contact us for details and state WEEE Take-Back in your communication

Email: Instrument.Support.EMEA@bio-techne.com

Phone: +353 1800 800 661

Live Chat www.bio-techne.com

Note: It would be advantageous to have the instrument serial number available but this is not critical

You also have a role to play in ensuring that WEEE is reused and recycled safely. So, if you choose not to return WEEE to us then you should not dispose of it in your bin. The crossed out wheeled-bin symbol on the product reminds users not to dispose WEEE in the bin. You should ensure that the WEEE is collected separately and sent for proper treatment. WEEE contains hazardous substances and if not managed and treated safely it can cause pollution and damage human health
