| Clonality                   | Polyclonal                                                                                                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                     |
| Isotype                     | IgG                                                                                                                                                                                                    |
| Conjugate                   | DyLight 350                                                                                                                                                                                            |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                                                        |
| Host                        | Goat                                                                                                                                                                                                   |
| Gene ID                     | 5154                                                                                                                                                                                                   |
| Gene Symbol                 | PDGFA                                                                                                                                                                                                  |
| Species                     | Human                                                                                                                                                                                                  |
| Specificity/Sensitivity     | Detects human PDGF-AA and PDGF- $\beta$ AB in direct ELISAs and Western blots. In Western blots, less than 5% cross-reactivity with recombinant human PDGF-BB and recombinant rat PDGF-BB is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human PDGF-AA<br>Ser87-Thr211<br>Accession # P04085                                                                                                                |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                      |
| Product Application Details |                                                                                                                                                                                                        |
| Applications                | Western Blot, Immunohistochemistry, Neutralization                                                                                                                                                     |
| Recommended Dilutions       | Western Blot, Immunohistochemistry, Neutralization                                                                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                 |
