| Conjugate                   | HRP                                                                                                                                                                                            |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                      |
| Buffer                      | PBS                                                                                                                                                                                            |
| Product Description         |                                                                                                                                                                                                |
| Host                        | Goat                                                                                                                                                                                           |
| Gene ID                     | 7040                                                                                                                                                                                           |
| Gene Symbol                 | TGFB1                                                                                                                                                                                          |
| Species                     | Human                                                                                                                                                                                          |
| Specificity/Sensitivity     | Detects human LAP TGF $\alpha$ $\beta$ 1 in direct ELISAs and Western blots.                                                                                                                   |
| Immunogen                   | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived and Chinese hamster ovary cell line CHO-derived recombinant human LAP TGF $\alpha$ $\beta$ 1<br>Leu30-Ser390<br>Accession # P01137 |
| Product Application Details |                                                                                                                                                                                                |
| Applications                | Western Blot, Immunocytochemistry, Neutralization                                                                                                                                              |
| Recommended Dilutions       | Western Blot, Neutralization, Immunocytochemistry                                                                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                         |
