**AF-308-NAA**

Flt-3 Ligand/FLT3L Antibody [Allophycocyanin]

| Product Information         |                                                                                                                                                                |
|-----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                         |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                    |
| Storage                     | Store at 4C in the dark.                                                                                                                                       |
| Clonality                   | Polyclonal                                                                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                                                                             |
| Isotype                     | IgG                                                                                                                                                            |
| Conjugate                   | Allophycocyanin                                                                                                                                                |
| Purity                      | Antigen Affinity-purified                                                                                                                                      |
| Buffer                      | PBS                                                                                                                                                            |
| Product Description         |                                                                                                                                                                |
| Host                        | Goat                                                                                                                                                           |
| Gene ID                     | 2323                                                                                                                                                           |
| Gene Symbol                 | FLT3LG                                                                                                                                                         |
| Species                     | Human                                                                                                                                                          |
| Specificity/Sensitivity     | Detects human Flt-3 Ligand/FLT3L in direct ELISAs and Western blots. In direct ELISAs, less than 1% cross-reactivity with recombinant mouse Flt-3 is observed. |
| Immunogen                   | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived recombinant human Flt-3 Ligand/FLT3L<br>Thr27-Pro185<br>Accession # AAA17999                       |
| Product Application Details |                                                                                                                                                                |
| Applications                | Western Blot, Neutralization                                                                                                                                   |
| Recommended Dilutions       | Western Blot, Neutralization                                                                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                         |
