IL-17/IL-17A Antibody [DyLight 550]

| Product Information         |                                                                                                                                                                 |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                          |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                     |
| Storage                     | Store at 4C in the dark.                                                                                                                                        |
| Clonality                   | Polyclonal                                                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                                                              |
| Isotype                     | IgG                                                                                                                                                             |
| Conjugate                   | DyLight 550                                                                                                                                                     |
| Purity                      | Antigen Affinity-purified                                                                                                                                       |
| Buffer                      | 50mM Sodium Borate                                                                                                                                              |
| Product Description         |                                                                                                                                                                 |
| Host                        | Goat                                                                                                                                                            |
| Gene ID                     | 3605                                                                                                                                                            |
| Gene Symbol                 | IL17A                                                                                                                                                           |
| Species                     | Mouse                                                                                                                                                           |
| Specificity/Sensitivity     | Detects mouse and rat IL-17 in direct ELISAs and Western blots. In direct ELISAs, approximately 10% cross-reactivity with recombinant human IL-17A is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant mouse IL-17<br>Thr22-Ala158<br>Accession # Q62386                                                                           |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                               |
| Product Application Details |                                                                                                                                                                 |
| Applications                | Western Blot, CyTOF-ready, Intracellular Staining by Flow Cytometry, Neutralization                                                                             |
| Recommended Dilutions       | Western Blot, Neutralization, Intracellular Staining by Flow Cytometry, CyTOF-ready                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                          |
