| Storage                     | Store at 4C in the dark.                                                                                                                                                                   |
| Clonality                   | Polyclonal                                                                                                                                                                                 |
| Preservative                | No Preservative                                                                                                                                                                            |
| Isotype                     | IgG                                                                                                                                                                                        |
| Conjugate                   | HRP                                                                                                                                                                                        |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                  |
| Buffer                      | PBS                                                                                                                                                                                        |
| Product Description         |                                                                                                                                                                                            |
| Host                        | Goat                                                                                                                                                                                       |
| Gene ID                     | 3587                                                                                                                                                                                       |
| Gene Symbol                 | IL10RA                                                                                                                                                                                     |
| Species                     | Mouse                                                                                                                                                                                      |
| Specificity/Sensitivity     | Detects mouse IL-10 R $\alpha$ in direct ELISAs and Western blots. In direct ELISAs and Western blots, less than 25% cross-reactivity with recombinant human IL-10 R $\alpha$ is observed. |
| Immunogen                   | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived recombinant mouse IL-10 R $\alpha$<br>Thr24-Asn238 (Lys188Arg and Glu222Gly)<br>Accession # Q61727                             |
| Product Application Details |                                                                                                                                                                                            |
| Applications                | Western Blot, Neutralization                                                                                                                                                               |
| Recommended Dilutions       | Western Blot, Neutralization                                                                                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                     |
