**AF009H****Neurophysin II/Arg-vasopressin Antibody [HRP]**

| <b>Product Information</b>         |                                                                                                            |
|------------------------------------|------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>                   | 0.1 ml                                                                                                     |
| <b>Concentration</b>               | Please see the vial label for concentration. If unlisted please contact technical services.                |
| <b>Storage</b>                     | Store at 4C in the dark.                                                                                   |
| <b>Clonality</b>                   | Polyclonal                                                                                                 |
| <b>Preservative</b>                | No Preservative                                                                                            |
| <b>Isotype</b>                     | IgG                                                                                                        |
| <b>Conjugate</b>                   | HRP                                                                                                        |
| <b>Purity</b>                      | Antigen Affinity-purified                                                                                  |
| <b>Buffer</b>                      | PBS                                                                                                        |
| <b>Product Description</b>         |                                                                                                            |
| <b>Host</b>                        | Goat                                                                                                       |
| <b>Gene ID</b>                     | 551                                                                                                        |
| <b>Gene Symbol</b>                 | AVP                                                                                                        |
| <b>Species</b>                     | Human                                                                                                      |
| <b>Specificity/Sensitivity</b>     | Detects human Neurophysin II in direct ELISAs and Western blots.                                           |
| <b>Immunogen</b>                   | Mouse myeloma cell line NS0-derived recombinant human Neurophysin II<br>Cys20-Tyr164<br>Accession # P01185 |
| <b>Product Application Details</b> |                                                                                                            |
| <b>Applications</b>                | Western Blot, Immunohistochemistry                                                                         |
| <b>Recommended Dilutions</b>       | Western Blot, Immunohistochemistry                                                                         |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                     |
