| <b>Gene ID</b>                     | 9370                                                                                                                                                                                                                                                  |
| <b>Gene Symbol</b>                 | ADIPOQ                                                                                                                                                                                                                                                |
| <b>Species</b>                     | Human                                                                                                                                                                                                                                                 |
| <b>Specificity/Sensitivity</b>     | Detects human Adiponectin/Acrp30 in direct ELISAs and Western blots. In direct ELISAs, less than 30% cross-reactivity with recombinant mouse Adiponectin is observed and less than 15% cross-reactivity with recombinant rat Adiponectin is observed. |
| <b>Immunogen</b>                   | Mouse myeloma cell line NS0-derived recombinant human Adiponectin/Acrp30 Glu19-Asn244<br>Accession # Q15848                                                                                                                                           |
| <b>Notes</b>                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                                     |
| <b>Product Application Details</b> |                                                                                                                                                                                                                                                       |
| <b>Applications</b>                | Western Blot                                                                                                                                                                                                                                          |
| <b>Recommended Dilutions</b>       | Western Blot                                                                                                                                                                                                                                          |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                |
