**AF10774P****SARS-CoV-2 Spike S2 Antibody [PE]**

| <b>Product Information</b>         |                                                                                                                     |
|------------------------------------|---------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>                   | 0.1 ml                                                                                                              |
| <b>Concentration</b>               | Please see the vial label for concentration. If unlisted please contact technical services.                         |
| <b>Storage</b>                     | Store at 4C in the dark.                                                                                            |
| <b>Clonality</b>                   | Polyclonal                                                                                                          |
| <b>Preservative</b>                | 0.05% Sodium Azide                                                                                                  |
| <b>Isotype</b>                     | IgG                                                                                                                 |
| <b>Conjugate</b>                   | PE                                                                                                                  |
| <b>Purity</b>                      | Antigen Affinity-purified                                                                                           |
| <b>Buffer</b>                      | PBS                                                                                                                 |
| <b>Product Description</b>         |                                                                                                                     |
| <b>Host</b>                        | Goat                                                                                                                |
| <b>Gene ID</b>                     | 43740568                                                                                                            |
| <b>Species</b>                     | SARS-CoV-2                                                                                                          |
| <b>Specificity/Sensitivity</b>     | Detects SARS-CoV-2 Spike S2 Subunit in direct ELISAs.                                                               |
| <b>Immunogen</b>                   | Human embryonic kidney cell HEK293-derived SARS-CoV-2 Spike S2 Subunit Ser686-Lys1211<br>Accession # YP_009724390.1 |
| <b>Product Application Details</b> |                                                                                                                     |
| <b>Applications</b>                | Western Blot, Immunohistochemistry, Immunocytochemistry                                                             |
| <b>Recommended Dilutions</b>       | Western Blot, Immunohistochemistry, Immunocytochemistry                                                             |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                              |
