**AF1275H****IL-36Ra/IL-1F5 Antibody [HRP]**

| <b>Product Information</b>         |                                                                                                                                                                  |
|------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Unit Size</b>                   | 0.1 ml                                                                                                                                                           |
| <b>Concentration</b>               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                      |
| <b>Storage</b>                     | Store at 4C in the dark.                                                                                                                                         |
| <b>Clonality</b>                   | Polyclonal                                                                                                                                                       |
| <b>Preservative</b>                | No Preservative                                                                                                                                                  |
| <b>Isotype</b>                     | IgG                                                                                                                                                              |
| <b>Conjugate</b>                   | HRP                                                                                                                                                              |
| <b>Purity</b>                      | Antigen Affinity-purified                                                                                                                                        |
| <b>Buffer</b>                      | PBS                                                                                                                                                              |
| <b>Product Description</b>         |                                                                                                                                                                  |
| <b>Host</b>                        | Goat                                                                                                                                                             |
| <b>Gene ID</b>                     | 26525                                                                                                                                                            |
| <b>Gene Symbol</b>                 | IL36RN                                                                                                                                                           |
| <b>Species</b>                     | Human                                                                                                                                                            |
| <b>Specificity/Sensitivity</b>     | Detects human IL-36Ra/IL-1F5 in direct ELISAs and Western blots. In direct ELISAs, less than 1% cross-reactivity with recombinant human (rh) IL-1ra is observed. |
| <b>Immunogen</b>                   | <i>E. coli</i> -derived recombinant human IL-36Ra/IL-1F5<br>Val2-Asp155<br>Accession # Q9UBH0                                                                    |
| <b>Product Application Details</b> |                                                                                                                                                                  |
| <b>Applications</b>                | Western Blot, Blockade of Receptor-ligand Interaction                                                                                                            |
| <b>Recommended Dilutions</b>       | Western Blot, Blockade of Receptor-ligand Interaction                                                                                                            |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                           |
