| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                                                                       |
| Isotype                     | IgG                                                                                                                                                                                                                                                                      |
| Conjugate                   | Janelia Fluor 525                                                                                                                                                                                                                                                        |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                                                                                                |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                                                                       |
| Product Description         |                                                                                                                                                                                                                                                                          |
| Host                        | Goat                                                                                                                                                                                                                                                                     |
| Gene ID                     | 4854                                                                                                                                                                                                                                                                     |
| Gene Symbol                 | NOTCH3                                                                                                                                                                                                                                                                   |
| Species                     | Mouse                                                                                                                                                                                                                                                                    |
| Specificity/Sensitivity     | Detects mouse Notch $\square$ 3 in direct ELISAs and Western blots. In direct ELISAs, less than 10% cross-reactivity with recombinant human Notch $\square$ 3 is observed and less than 5% cross-reactivity with recombinant rat (rr) Notch-1 and rrNotch-2 is observed. |
| Immunogen                   | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived recombinant mouse Notch-3 Ala40-Glu468<br>Accession # Q61982                                                                                                                                                 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                                                                                    |
| Product Application Details |                                                                                                                                                                                                                                                                          |
| Applications                | Western Blot, Flow Cytometry, Immunohistochemistry, Blockade of Receptor-ligand Interaction, CyTOF-ready, Immunofluorescence                                                                                                                                             |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunohistochemistry, Blockade of Receptor-ligand Interaction, Immunofluorescence, CyTOF-ready                                                                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                   |
