BIM Long Antibody [DyLight 350]

| Product Information         |                                                                                                     |
|-----------------------------|-----------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                              |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.         |
| Storage                     | Store at 4C in the dark.                                                                            |
| Clonality                   | Polyclonal                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                  |
| Isotype                     | IgG                                                                                                 |
| Conjugate                   | DyLight 350                                                                                         |
| Purity                      | Antigen Affinity-purified                                                                           |
| Buffer                      | 50mM Sodium Borate                                                                                  |
| Product Description         |                                                                                                     |
| Host                        | Goat                                                                                                |
| Gene ID                     | 10018                                                                                               |
| Gene Symbol                 | BCL2L11                                                                                             |
| Species                     | Human                                                                                               |
| Specificity/Sensitivity     | Detects human BIML in direct ELISAs and Western blots.                                              |
| Immunogen                   | <i>E. coli</i> -derived recombinant human BIML Long (BIM L)<br>Ala2-Arg120<br>Accession # NP_006529 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                   |
| Product Application Details |                                                                                                     |
| Applications                | Immunohistochemistry                                                                                |
| Recommended Dilutions       | Immunohistochemistry                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                              |
