| Clonality                   | Polyclonal                                                                                                                                                                                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                                                                      |
| Isotype                     | IgG                                                                                                                                                                                                                                                                     |
| Conjugate                   | Janelia Fluor 525                                                                                                                                                                                                                                                       |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                                                                                               |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                                                                      |
| Product Description         |                                                                                                                                                                                                                                                                         |
| Host                        | Goat                                                                                                                                                                                                                                                                    |
| Gene ID                     | 3598                                                                                                                                                                                                                                                                    |
| Gene Symbol                 | IL13RA2                                                                                                                                                                                                                                                                 |
| Species                     | Human                                                                                                                                                                                                                                                                   |
| Specificity/Sensitivity     | Detects human IL-13 R $\alpha$ 2 in direct ELISAs and Western blots. In direct ELISAs, approximately 5% cross-reactivity with recombinant mouse IL-13 R $\alpha$ 2 is observed and less than 1% cross-reactivity with recombinant human IL-13 R $\alpha$ 1 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human IL-13 R $\alpha$ 2 Cys22-Leu342<br>Accession # Q14627                                                                                                                                                             |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                                                                                   |
| Product Application Details |                                                                                                                                                                                                                                                                         |
| Applications                | Western Blot, Flow Cytometry, Immunohistochemistry, Blockade of Receptor-ligand Interaction, CyTOF-ready                                                                                                                                                                |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunohistochemistry, Blockade of Receptor-ligand Interaction, CyTOF-ready                                                                                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                  |
