| Product Information         |                                                                                             |
|-----------------------------|---------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                      |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services. |
| Storage                     | Store at 4C in the dark.                                                                    |
| Clonality                   | Polyclonal                                                                                  |
| Preservative                | 0.05% Sodium Azide                                                                          |
| Isotype                     | IgG                                                                                         |
| Conjugate                   | FITC                                                                                        |
| Purity                      | Antigen Affinity-purified                                                                   |
| Buffer                      | PBS                                                                                         |
| Product Description         |                                                                                             |
| Host                        | Goat                                                                                        |
| Gene ID                     | 5608                                                                                        |
| Gene Symbol                 | MAP2K6                                                                                      |
| Species                     | Human, Mouse, Rat                                                                           |
| Specificity/Sensitivity     | Detects human, mouse, and rat MKK6.                                                         |
| Immunogen                   | <i>E. coli</i> -derived recombinant human MKK6<br>Ser2-Asp334<br>Accession # P52564         |
| Product Application Details |                                                                                             |
| Applications                | Western Blot, Knockout Validated                                                            |
| Recommended Dilutions       | Western Blot, Knockout Validated                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                      |
