| Isotype                     | IgG                                                                                                                                                                                                                            |
| Conjugate                   | PE                                                                                                                                                                                                                             |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                                                      |
| Buffer                      | PBS                                                                                                                                                                                                                            |
| Product Description         |                                                                                                                                                                                                                                |
| Host                        | Sheep                                                                                                                                                                                                                          |
| Gene ID                     | 2256                                                                                                                                                                                                                           |
| Gene Symbol                 | FGF11                                                                                                                                                                                                                          |
| Species                     | Human                                                                                                                                                                                                                          |
| Specificity/Sensitivity     | Detects human FGF-11 in direct ELISAs and Western blots. In these formats, less than 5% cross-reactivity with recombinant human (rh) FGF-3, -4, -5, -6, -7, -10, -16 -17, -18, -19, rhFGF acidic, and rhFGF basic is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human FGF-11                                                                                                                                                                               |
| Product Application Details |                                                                                                                                                                                                                                |
| Applications                | Western Blot                                                                                                                                                                                                                   |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                         |
