| <b>Host</b>                        | Goat                                                                                                                                                                                                                |
| <b>Gene ID</b>                     | 3592                                                                                                                                                                                                                |
| <b>Gene Symbol</b>                 | IL12A                                                                                                                                                                                                               |
| <b>Species</b>                     | Rat                                                                                                                                                                                                                 |
| <b>Specificity/Sensitivity</b>     | Detects rat IL-12 in direct ELISAs and Western blots. In direct ELISAs, approximately 50% cross-reactivity with recombinant mouse IL-12 and less than 5% cross-reactivity with recombinant human IL-12 is observed. |
| <b>Immunogen</b>                   | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived recombinant rat IL-12 p40: Met23-Ser335; p35: Arg23-Ser215<br>Accession # p40: NP_072133; p35: Q9R103                                                   |
| <b>Product Application Details</b> |                                                                                                                                                                                                                     |
| <b>Applications</b>                | Western Blot, Neutralization                                                                                                                                                                                        |
| <b>Recommended Dilutions</b>       | Western Blot, Neutralization                                                                                                                                                                                        |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                              |
