| Storage                     | Store at 4C in the dark.                                                                                                                                                                              |
| Clonality                   | Polyclonal                                                                                                                                                                                            |
| Preservative                | No Preservative                                                                                                                                                                                       |
| Isotype                     | IgG                                                                                                                                                                                                   |
| Conjugate                   | HRP                                                                                                                                                                                                   |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                             |
| Buffer                      | PBS                                                                                                                                                                                                   |
| Product Description         |                                                                                                                                                                                                       |
| Host                        | Sheep                                                                                                                                                                                                 |
| Gene ID                     | 51348                                                                                                                                                                                                 |
| Gene Symbol                 | KLRF1                                                                                                                                                                                                 |
| Species                     | Human                                                                                                                                                                                                 |
| Specificity/Sensitivity     | Detects human NKp80/KLRF1 C-Terminus in direct ELISAs and Western blots. In direct ELISAs and Western blots, less than 1% cross-reactivity with recombinant human (rh) NKp44 and rhNKp30 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human NKp80/KLRF1 C-Terminus<br>Val66-Tyr231<br>Accession # Q9NZS2                                                                                    |
| Product Application Details |                                                                                                                                                                                                       |
| Applications                | Western Blot, Flow Cytometry, CyTOF-ready                                                                                                                                                             |
| Recommended Dilutions       | Western Blot, Flow Cytometry, CyTOF-ready                                                                                                                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                |
