CD59 Antibody [Janelia Fluor® 646]

| Product Information         |                                                                                                  |
|-----------------------------|--------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                           |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.      |
| Storage                     | Store at 4C in the dark.                                                                         |
| Clonality                   | Polyclonal                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                               |
| Isotype                     | IgG                                                                                              |
| Conjugate                   | Janelia Fluor 646                                                                                |
| Purity                      | Antigen Affinity-purified                                                                        |
| Buffer                      | 50mM Sodium Borate                                                                               |
| Product Description         |                                                                                                  |
| Host                        | Goat                                                                                             |
| Gene ID                     | 966                                                                                              |
| Gene Symbol                 | CD59                                                                                             |
| Species                     | Human                                                                                            |
| Specificity/Sensitivity     | Detects human CD59 in direct ELISAs and Western blots.                                           |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human CD59<br>Leu26-Asn102<br>Accession # P13987 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.            |
| Product Application Details |                                                                                                  |
| Applications                | Western Blot, Immunohistochemistry                                                               |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                           |
