| Host                        | Goat                                                                                                                                                                                                                                                                              |
| Gene ID                     | 2209                                                                                                                                                                                                                                                                              |
| Gene Symbol                 | FCGR1A                                                                                                                                                                                                                                                                            |
| Species                     | Mouse                                                                                                                                                                                                                                                                             |
| Specificity/Sensitivity     | Detects mouse Fcγ RI/CD64 in direct ELISAs and Western blots. In direct ELISAs and Western blots, approximately 30% cross-reactivity with recombinant human Fcγ RI is observed and less than 5% cross-reactivity with recombinant mouse (rm) Fcγ RIIB and rmFcγ RIII is observed. |
| Immunogen                   | NS0-derived recombinant mouse Fcγ RI/CD64<br>Glu25-Pro297<br>Accession # P26151                                                                                                                                                                                                   |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                                                                 |
| Product Application Details |                                                                                                                                                                                                                                                                                   |
| Applications                | Western Blot                                                                                                                                                                                                                                                                      |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                            |
