| Host                        | Goat                                                                                                                                                                                                                                                                                    |
| Gene ID                     | 3592                                                                                                                                                                                                                                                                                    |
| Gene Symbol                 | IL12A                                                                                                                                                                                                                                                                                   |
| Species                     | Canine                                                                                                                                                                                                                                                                                  |
| Specificity/Sensitivity     | Detects canine IL-12 in direct ELISAs and Western blots. In direct ELISAs, approximately 40% cross-reactivity with recombinant human IL-12 p35/p40 and recombinant feline IL-12 p35/p40 is observed, and less than 10% cross-reactivity with recombinant rat IL-12 p35/p40 is observed. |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant canine IL-12 p40: Ile23-Ser329; p35: Arg26-Ser222 (Asp63Glu, Tyr64Leu, Ile65Tyr, Pro66Ser)<br>Accession # p40: Q28268; p35: Q28267                                                                                              |
| Product Application Details |                                                                                                                                                                                                                                                                                         |
| Applications                | Western Blot                                                                                                                                                                                                                                                                            |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                                  |
