| Clonality                   | Polyclonal                                                                                                                                                                                                                                                                        |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                                                                                |
| Isotype                     | IgG                                                                                                                                                                                                                                                                               |
| Conjugate                   | mFluor Violet 500 SE                                                                                                                                                                                                                                                              |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                                                                                                         |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                                                                                |
| Product Description         |                                                                                                                                                                                                                                                                                   |
| Host                        | Sheep                                                                                                                                                                                                                                                                             |
| Gene ID                     | 2719                                                                                                                                                                                                                                                                              |
| Gene Symbol                 | GPC3                                                                                                                                                                                                                                                                              |
| Species                     | Human                                                                                                                                                                                                                                                                             |
| Specificity/Sensitivity     | Detects human Glypican 3 in direct ELISAs and Western blots. In direct ELISAs, less than 10% cross-reactivity with recombinant mouse Glypican 3 is observed and less than 5% cross-reactivity with recombinant human (rh) Glypican 2, rhGlypican 5, and rhGlypican 6 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Glypican 3 Gln25-Val558<br>Accession # P51654                                                                                                                                                                               |
| Notes                       | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet.                                             |
| Product Application Details |                                                                                                                                                                                                                                                                                   |
| Applications                | Western Blot, ELISA, Flow Cytometry, Immunohistochemistry, CyTOF-ready, Immunocytochemistry                                                                                                                                                                                       |
| Recommended Dilutions       | Western Blot, Flow Cytometry, ELISA, Immunohistochemistry, Immunocytochemistry, CyTOF-ready                                                                                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                            |
