| Clonality                   | Polyclonal                                                                                                                                                                                             |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                     |
| Isotype                     | IgG                                                                                                                                                                                                    |
| Conjugate                   | DyLight 594                                                                                                                                                                                            |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                              |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                                                        |
| Host                        | Goat                                                                                                                                                                                                   |
| Gene ID                     | 152330                                                                                                                                                                                                 |
| Gene Symbol                 | CNTN4                                                                                                                                                                                                  |
| Species                     | Human                                                                                                                                                                                                  |
| Specificity/Sensitivity     | Detects Contactin-4 isoform a in direct ELISAs and Western blots. In direct ELISAs, less than 1% cross-reactivity with recombinant human (rh) CNTN2, recombinant mouse CNTN3, and rhCNTN5 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Contactin-4 isoform a Asp19-Gly1001<br>Accession # Q8I WV2                                                                                       |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                      |
| Product Application Details |                                                                                                                                                                                                        |
| Applications                | Western Blot, Neutralization                                                                                                                                                                           |
| Recommended Dilutions       | Western Blot, Neutralization                                                                                                                                                                           |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                 |
