| Buffer                      | PBS                                                                                                                                                                                                                                                  |
| Product Description         |                                                                                                                                                                                                                                                      |
| Host                        | Goat                                                                                                                                                                                                                                                 |
| Gene ID                     | 7130                                                                                                                                                                                                                                                 |
| Gene Symbol                 | TNFAIP6                                                                                                                                                                                                                                              |
| Species                     | Mouse                                                                                                                                                                                                                                                |
| Specificity/Sensitivity     | Detects mouse TSG-6 in direct ELISAs and Western blots. In direct ELISAs and Western blots, approximately 45% cross-reactivity with recombinant human TSG-6 is observed and less than 2% cross-reactivity with recombinant mouse TSG-14 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse TSG-6 Trp18-Leu275<br>Accession # O08859                                                                                                                                                       |
| Product Application Details |                                                                                                                                                                                                                                                      |
| Applications                | Western Blot, Immunocytochemistry                                                                                                                                                                                                                    |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                                                                                                                                                                                                    |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                               |
