| Gene Symbol                 | CD8A                                                                                                                                                                                                                                                                                                                                                           |
| Species                     | Feline                                                                                                                                                                                                                                                                                                                                                         |
| Specificity/Sensitivity     | Detects feline CD8 $\alpha$ in direct ELISAs and Western blots. In direct ELISAs and Western blots, approximately 25% cross-reactivity with recombinant mouse CD8 $\alpha$ is observed, approximately 5% cross-reactivity with recombinant canine CD8 $\alpha$ is observed, and less than 1% cross-reactivity with recombinant human CD8 $\alpha$ is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant feline CD8 $\alpha$<br>Ala22-Tyr188<br>Accession # P41688                                                                                                                                                                                                                                                      |
| Product Application Details |                                                                                                                                                                                                                                                                                                                                                                |
| Applications                | Western Blot, Immunocytochemistry                                                                                                                                                                                                                                                                                                                              |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                                                                                                                                                                                                                                                                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                                                                                                         |
