| Clonality                   | Polyclonal                                                                                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                               |
| Isotype                     | IgG                                                                                                                                                                              |
| Conjugate                   | PE                                                                                                                                                                               |
| Purity                      | Antigen Affinity-purified                                                                                                                                                        |
| Buffer                      | PBS                                                                                                                                                                              |
| Product Description         |                                                                                                                                                                                  |
| Host                        | Goat                                                                                                                                                                             |
| Gene ID                     | 60343                                                                                                                                                                            |
| Gene Symbol                 | FAM3A                                                                                                                                                                            |
| Species                     | Human                                                                                                                                                                            |
| Specificity/Sensitivity     | Detects human FAM3A in direct ELISAs and Western blots. In direct ELISAs, approximately 5% cross-reactivity with recombinant human (rh) FAM3B, rhFAM3C, and rhFAM3D is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human FAM3A Phe34-Ser230<br>Accession # P98173                                                                                   |
| Product Application Details |                                                                                                                                                                                  |
| Applications                | Western Blot                                                                                                                                                                     |
| Recommended Dilutions       | Western Blot                                                                                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                           |
