| Host                        | Goat                                                                                                                                                                                                                                                                                                                                   |
| Gene ID                     | 64221                                                                                                                                                                                                                                                                                                                                  |
| Gene Symbol                 | ROBO3                                                                                                                                                                                                                                                                                                                                  |
| Species                     | Human                                                                                                                                                                                                                                                                                                                                  |
| Specificity/Sensitivity     | Detects ROBO3 in direct ELISAs and Western blots. In direct ELISAs and Western blots, approximately 60% cross-reactivity with recombinant mouse ROBO3 is observed, 5% cross-reactivity with recombinant human ROBO2 and recombinant rat ROBO1 is observed, and less than 1% cross-reactivity with recombinant human ROBO4 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human ROBO3 Leu40-Ser545<br>Accession # Q96MS0                                                                                                                                                                                                                                         |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                                                                                                                                                  |
| Product Application Details |                                                                                                                                                                                                                                                                                                                                        |
| Applications                | Western Blot, Immunohistochemistry                                                                                                                                                                                                                                                                                                     |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                                                                                                                                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                                                                                 |
