Sortilin Antibody [PerCP]

| Product Information         |                                                                                                      |
|-----------------------------|------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                               |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.          |
| Storage                     | Store at 4C in the dark.                                                                             |
| Clonality                   | Polyclonal                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                   |
| Isotype                     | IgG                                                                                                  |
| Conjugate                   | PerCP                                                                                                |
| Purity                      | Antigen Affinity-purified                                                                            |
| Buffer                      | PBS                                                                                                  |
| Product Description         |                                                                                                      |
| Host                        | Goat                                                                                                 |
| Gene ID                     | 6272                                                                                                 |
| Gene Symbol                 | SORT1                                                                                                |
| Species                     | Human                                                                                                |
| Specificity/Sensitivity     | Detects human and mouse Sortilin in direct ELISAs and Western blots.                                 |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Sortilin<br>Ser78-Asn755<br>Accession # Q99523 |
| Product Application Details |                                                                                                      |
| Applications                | Western Blot, Flow Cytometry, Immunohistochemistry, Blockade of Receptor-ligand Interaction          |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunohistochemistry, Blockade of Receptor-ligand Interaction          |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                               |
