**AF3265C**

Mesothelin Antibody [PerCP]

| Product Information         |                                                                                                                  |
|-----------------------------|------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                           |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                      |
| Storage                     | Store at 4C in the dark.                                                                                         |
| Clonality                   | Polyclonal                                                                                                       |
| Preservative                | 0.05% Sodium Azide                                                                                               |
| Isotype                     | IgG                                                                                                              |
| Conjugate                   | PerCP                                                                                                            |
| Purity                      | Antigen Affinity-purified                                                                                        |
| Buffer                      | PBS                                                                                                              |
| Product Description         |                                                                                                                  |
| Host                        | Goat                                                                                                             |
| Gene ID                     | 10232                                                                                                            |
| Gene Symbol                 | MSLN                                                                                                             |
| Species                     | Human                                                                                                            |
| Specificity/Sensitivity     | Detects human Mesothelin in direct ELISAs and Western blots.                                                     |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Mesothelin isoform 2 Glu296-Gly580<br>Accession # ABW03459 |
| Product Application Details |                                                                                                                  |
| Applications                | Western Blot                                                                                                     |
| Recommended Dilutions       | Western Blot                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                           |
