| Clonality                   | Polyclonal                                                                                                                                           |
| Preservative                | 0.05% Sodium Azide                                                                                                                                   |
| Isotype                     | IgG                                                                                                                                                  |
| Conjugate                   | Janelia Fluor 646                                                                                                                                    |
| Purity                      | Antigen Affinity-purified                                                                                                                            |
| Buffer                      | 50mM Sodium Borate                                                                                                                                   |
| Product Description         |                                                                                                                                                      |
| Host                        | Goat                                                                                                                                                 |
| Gene ID                     | 7186                                                                                                                                                 |
| Gene Symbol                 | TRAF2                                                                                                                                                |
| Species                     | Human                                                                                                                                                |
| Specificity/Sensitivity     | Detects human TRAF-2 in Western blots. In Western blots, less than 1% cross-reactivity with recombinant human TRAF-1, -3, -4, -5, or -6 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human TRAF-2<br>Met1-Leu501<br>Accession # Q12933                                                                |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                |
| Product Application Details |                                                                                                                                                      |
| Applications                | Western Blot, Knockout Validated                                                                                                                     |
| Recommended Dilutions       | Western Blot, Knockout Validated                                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                               |
