| Clonality                   | Polyclonal                                                                                                                                                                                                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                                                                                             |
| Isotype                     | IgG                                                                                                                                                                                                                                                                            |
| Conjugate                   | mFluor Violet 450 SE                                                                                                                                                                                                                                                           |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                                                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                                                                                             |
| Product Description         |                                                                                                                                                                                                                                                                                |
| Host                        | Goat                                                                                                                                                                                                                                                                           |
| Gene ID                     | 4148                                                                                                                                                                                                                                                                           |
| Gene Symbol                 | NDUFC2                                                                                                                                                                                                                                                                         |
| Species                     | Mouse                                                                                                                                                                                                                                                                          |
| Specificity/Sensitivity     | Detects mouse Matrilin-3 in direct ELISAs and Western blots. In direct ELISAs and Western blots, approximately 50% cross-reactivity with recombinant human Matrilin-3 is observed and 5% cross-reactivity with recombinant mouse (rm) Matrilin-2 and rmMatrilin-4 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse Matrilin-3 Ala35-Arg481<br>Accession # AAH71224                                                                                                                                                                          |
| Notes                       | mFluor(TM) is a trademark of AAT Bioquest, Inc. This conjugate is made on demand. Actual recovery may vary from the stated volume of this product. The volume will be greater than or equal to the unit size stated on the datasheet.                                          |
| Product Application Details |                                                                                                                                                                                                                                                                                |
| Applications                | Western Blot                                                                                                                                                                                                                                                                   |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                                                                                   |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                         |
