**AF3504B**

Thioredoxin-like 5/TRP14/TXNDC17 Antibody [Biotin]

| Product Information         |                                                                                                         |
|-----------------------------|---------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                  |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.             |
| Storage                     | Store at 4C in the dark.                                                                                |
| Clonality                   | Polyclonal                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                      |
| Isotype                     | IgG                                                                                                     |
| Conjugate                   | Biotin                                                                                                  |
| Purity                      | Antigen Affinity-purified                                                                               |
| Buffer                      | PBS                                                                                                     |
| Product Description         |                                                                                                         |
| Host                        | Goat                                                                                                    |
| Gene ID                     | 84817                                                                                                   |
| Gene Symbol                 | TXNDC17                                                                                                 |
| Species                     | Human                                                                                                   |
| Specificity/Sensitivity     | Detects human Thioredoxin-like 5/TRP14 in direct ELISAs and Western blots.                              |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Thioredoxin-like 5/TRP14<br>Ala2-Asp123<br>Accession # Q9BRA2 |
| Product Application Details |                                                                                                         |
| Applications                | Western Blot                                                                                            |
| Recommended Dilutions       | Western Blot                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                  |
