| Preservative                | 0.05% Sodium Azide                                                                                                                                                                             |
| Isotype                     | IgG                                                                                                                                                                                            |
| Conjugate                   | PerCP                                                                                                                                                                                          |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                      |
| Buffer                      | PBS                                                                                                                                                                                            |
| Product Description         |                                                                                                                                                                                                |
| Host                        | Goat                                                                                                                                                                                           |
| Gene ID                     | 2737                                                                                                                                                                                           |
| Gene Symbol                 | GLI3                                                                                                                                                                                           |
| Species                     | Human, Mouse                                                                                                                                                                                   |
| Specificity/Sensitivity     | Detects human and mouse GLI-3 in direct ELISAs and Western blots. In direct ELISAs and Western blots, less than 1% cross-reactivity with recombinant human (rh) GLI-1 and rhGLI-2 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human GLI-3<br>Met1-Glu479<br>Accession # P10071                                                                                                           |
| Product Application Details |                                                                                                                                                                                                |
| Applications                | Western Blot, Chromatin Immunoprecipitation (ChIP), Immunocytochemistry                                                                                                                        |
| Recommended Dilutions       | Western Blot, Chromatin Immunoprecipitation (ChIP), Immunocytochemistry                                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                         |
