| Product Description         |                                                                                                                                                           |
| Host                        | Goat                                                                                                                                                      |
| Gene ID                     | 5364                                                                                                                                                      |
| Gene Symbol                 | PLXNB1                                                                                                                                                    |
| Species                     | Human                                                                                                                                                     |
| Specificity/Sensitivity     | Detects human Plexin B1 in direct ELISAs and Western blots. In direct ELISAs, less than 1% cross-reactivity with recombinant human Plexin B3 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Plexin B1<br>Leu35-Val150<br>Accession # O43157                                                                 |
| Product Application Details |                                                                                                                                                           |
| Applications                | Western Blot, Immunohistochemistry                                                                                                                        |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                    |
