| Clonality                   | Polyclonal                                                                                                                      |
| Preservative                | 0.05% Sodium Azide                                                                                                              |
| Isotype                     | IgG                                                                                                                             |
| Conjugate                   | DyLight 488                                                                                                                     |
| Purity                      | Antigen Affinity-purified                                                                                                       |
| Buffer                      | 50mM Sodium Borate                                                                                                              |
| Product Description         |                                                                                                                                 |
| Host                        | Goat                                                                                                                            |
| Gene ID                     | 81494                                                                                                                           |
| Gene Symbol                 | CFHR5                                                                                                                           |
| Species                     | Human                                                                                                                           |
| Specificity/Sensitivity     | Detects human Complement Factor H-related 5/CFHR5 in direct ELISAs and Western blots.                                           |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human Complement Factor H-related 5/CFHR5<br>Glu19-Glu569<br>Accession # Q9BXR6 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                               |
| Product Application Details |                                                                                                                                 |
| Applications                | Western Blot, Immunoprecipitation                                                                                               |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                          |
