| Preservative                | 0.05% Sodium Azide                                                                                                                                                                                               |
| Isotype                     | IgG                                                                                                                                                                                                              |
| Conjugate                   | Janelia Fluor 646                                                                                                                                                                                                |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                                        |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                                               |
| Product Description         |                                                                                                                                                                                                                  |
| Host                        | Goat                                                                                                                                                                                                             |
| Gene ID                     | 310                                                                                                                                                                                                              |
| Gene Symbol                 | ANXA7                                                                                                                                                                                                            |
| Species                     | Human, Mouse, Rat                                                                                                                                                                                                |
| Specificity/Sensitivity     | Detects endogenous human, mouse, and rat Annexin A7 in Western blots. In Western blots, this antibody shows no cross-reactivity with recombinant human Annexin A1, A2, A3, A4, A5, A6, A8, A9, A10, A11, or A13. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Annexin A7<br>Met1-Gln466<br>Accession # NP_001147                                                                                                                     |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                                                            |
| Product Application Details |                                                                                                                                                                                                                  |
| Applications                | Western Blot                                                                                                                                                                                                     |
| Recommended Dilutions       | Western Blot                                                                                                                                                                                                     |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                           |
