**AF3986Y**

NTB-A/SLAMF6/CD352 Antibody [DyLight 680]

| Product Information         |                                                                                                       |
|-----------------------------|-------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.           |
| Storage                     | Store at 4C in the dark.                                                                              |
| Clonality                   | Polyclonal                                                                                            |
| Preservative                | 0.05% Sodium Azide                                                                                    |
| Isotype                     | IgG                                                                                                   |
| Conjugate                   | DyLight 680                                                                                           |
| Purity                      | Antigen Affinity-purified                                                                             |
| Buffer                      | 50mM Sodium Borate                                                                                    |
| Product Description         |                                                                                                       |
| Host                        | Sheep                                                                                                 |
| Gene ID                     | 114836                                                                                                |
| Gene Symbol                 | SLAMF6                                                                                                |
| Species                     | Mouse                                                                                                 |
| Specificity/Sensitivity     | Detects mouse NTB□A/SLAMF6 in direct ELISAs and Western blots.                                        |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse NTB□A/SLAMF6 Glu31-Asn239<br>Accession # Q9ET39 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                     |
| Product Application Details |                                                                                                       |
| Applications                | Western Blot, Flow Cytometry, CyTOF-ready                                                             |
| Recommended Dilutions       | Western Blot, Flow Cytometry, CyTOF-ready                                                             |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                |
