| Host                        | Sheep                                                                                                                                                                                                                                                                         |
| Gene ID                     | 57537                                                                                                                                                                                                                                                                         |
| Gene Symbol                 | SORCS2                                                                                                                                                                                                                                                                        |
| Species                     | Human                                                                                                                                                                                                                                                                         |
| Specificity/Sensitivity     | Detects human SorCS2 in direct ELISAs and Western blots. In direct ELISAs and Western blots, approximately 20% cross-reactivity with recombinant mouse (rm) SorCS2 is observed and less than 1% cross-reactivity with recombinant human (rh) SorCS1 and rhSorCS3 is observed. |
| Immunogen                   | NS0-derived recombinant human SorCS2<br>Ser70-Gly1078<br>Accession # Q96PQ0                                                                                                                                                                                                   |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                                                                                                             |
| Product Application Details |                                                                                                                                                                                                                                                                               |
| Applications                | Western Blot, Immunohistochemistry                                                                                                                                                                                                                                            |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                                                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                                                                                                        |
