| Preservative                | 0.05% Sodium Azide                                                                                                                                     |
| Isotype                     | IgG                                                                                                                                                    |
| Conjugate                   | FITC                                                                                                                                                   |
| Purity                      | Antigen Affinity-purified                                                                                                                              |
| Buffer                      | PBS                                                                                                                                                    |
| Product Description         |                                                                                                                                                        |
| Host                        | Goat                                                                                                                                                   |
| Gene ID                     | 4043                                                                                                                                                   |
| Gene Symbol                 | LRPAP1                                                                                                                                                 |
| Species                     | Human                                                                                                                                                  |
| Specificity/Sensitivity     | Detects human LRPAP in direct ELISAs and Western blots. In Western blots, approximately 30% cross-reactivity with recombinant mouse LRPAP is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human LRPAP<br>Tyr35-Leu357<br>Accession # P30533                                                                  |
| Product Application Details |                                                                                                                                                        |
| Applications                | Western Blot, Immunocytochemistry                                                                                                                      |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                                                                                                      |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                 |
