| Clonality                   | Polyclonal                                                                                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                      |
| Isotype                     | IgG                                                                                                                                                                     |
| Conjugate                   | PerCP                                                                                                                                                                   |
| Purity                      | Antigen Affinity-purified                                                                                                                                               |
| Buffer                      | PBS                                                                                                                                                                     |
| Product Description         |                                                                                                                                                                         |
| Host                        | Goat                                                                                                                                                                    |
| Gene ID                     | 9655                                                                                                                                                                    |
| Gene Symbol                 | SOCS5                                                                                                                                                                   |
| Species                     | Human                                                                                                                                                                   |
| Specificity/Sensitivity     | Detects human SOCS-5 in direct ELISAs and Western blots. In direct ELISAs, less than 1% cross-reactivity with recombinant human SOCS-1, -2, -3, -6, and -7 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human SOCS-5<br>Met1-Lys536<br>Accession # O75159                                                                                   |
| Product Application Details |                                                                                                                                                                         |
| Applications                | Western Blot, Immunocytochemistry                                                                                                                                       |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                  |
