**AF4909H**

CD21 Antibody [HRP]

| Product Information         |                                                                                                       |
|-----------------------------|-------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.           |
| Storage                     | Store at 4C in the dark.                                                                              |
| Clonality                   | Polyclonal                                                                                            |
| Preservative                | No Preservative                                                                                       |
| Isotype                     | IgG                                                                                                   |
| Conjugate                   | HRP                                                                                                   |
| Purity                      | Antigen Affinity-purified                                                                             |
| Buffer                      | PBS                                                                                                   |
| Product Description         |                                                                                                       |
| Host                        | Sheep                                                                                                 |
| Gene ID                     | 1380                                                                                                  |
| Gene Symbol                 | CR2                                                                                                   |
| Species                     | Human                                                                                                 |
| Specificity/Sensitivity     | Detects human CD21 in direct ELISAs and Western blots.                                                |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant human CD21 Ile21-Arg971<br>Accession # P20023 |
| Product Application Details |                                                                                                       |
| Applications                | Western Blot, Flow Cytometry, Immunohistochemistry, CyTOF-ready                                       |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Immunohistochemistry, CyTOF-ready                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                |
