| Buffer                      | 50mM Sodium Borate                                                                                                                |
| Product Description         |                                                                                                                                   |
| Host                        | Sheep                                                                                                                             |
| Gene ID                     | 5320                                                                                                                              |
| Gene Symbol                 | PLA2G2A                                                                                                                           |
| Species                     | Mouse                                                                                                                             |
| Specificity/Sensitivity     | Detects mouse PLA2G2A in Western blots.                                                                                           |
| Immunogen                   | <i>S. frugiperda</i> insect ovarian cell line Sf 21-derived recombinant mouse PLA2G2A<br>Asn22-Cys146<br>Accession # NP_001076000 |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                 |
| Product Application Details |                                                                                                                                   |
| Applications                | Western Blot, Immunohistochemistry                                                                                                |
| Recommended Dilutions       | Western Blot, Immunohistochemistry                                                                                                |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                            |
