MDGA2 Antibody [FITC]

| Product Information         |                                                                                                                                                                     |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                              |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                         |
| Storage                     | Store at 4C in the dark.                                                                                                                                            |
| Clonality                   | Polyclonal                                                                                                                                                          |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                  |
| Isotype                     | IgG                                                                                                                                                                 |
| Conjugate                   | FITC                                                                                                                                                                |
| Purity                      | Antigen Affinity-purified                                                                                                                                           |
| Buffer                      | PBS                                                                                                                                                                 |
| Product Description         |                                                                                                                                                                     |
| Host                        | Sheep                                                                                                                                                               |
| Gene ID                     | 161357                                                                                                                                                              |
| Gene Symbol                 | MDGA2                                                                                                                                                               |
| Species                     | Human                                                                                                                                                               |
| Specificity/Sensitivity     | Detects human MDGA2 in direct ELISAs and Western blots. In direct ELISAs and Western blots, less than 5% cross-reactivity with recombinant human MDGA1 is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant human MDGA2<br>Gln21-Asp931<br>Accession # Q7Z553                                                                   |
| Product Application Details |                                                                                                                                                                     |
| Applications                | Western Blot                                                                                                                                                        |
| Recommended Dilutions       | Western Blot                                                                                                                                                        |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                              |
