| <b>Product Information</b>         |                                                                                             |
|------------------------------------|---------------------------------------------------------------------------------------------|
| <b>Unit Size</b>                   | 0.1 ml                                                                                      |
| <b>Concentration</b>               | Please see the vial label for concentration. If unlisted please contact technical services. |
| <b>Storage</b>                     | Store at 4C in the dark.                                                                    |
| <b>Clonality</b>                   | Polyclonal                                                                                  |
| <b>Preservative</b>                | 0.05% Sodium Azide                                                                          |
| <b>Isotype</b>                     | IgG                                                                                         |
| <b>Conjugate</b>                   | PerCP                                                                                       |
| <b>Purity</b>                      | Antigen Affinity-purified                                                                   |
| <b>Buffer</b>                      | PBS                                                                                         |
| <b>Product Description</b>         |                                                                                             |
| <b>Host</b>                        | Sheep                                                                                       |
| <b>Gene ID</b>                     | 7547                                                                                        |
| <b>Gene Symbol</b>                 | ZIC3                                                                                        |
| <b>Species</b>                     | Human, Mouse                                                                                |
| <b>Specificity/Sensitivity</b>     | Detects endogenous human and mouse ZIC3 in Western blots.                                   |
| <b>Immunogen</b>                   | <i>E. coli</i> -derived recombinant human ZIC3<br>His380-Val467<br>Accession # O60481       |
| <b>Product Application Details</b> |                                                                                             |
| <b>Applications</b>                | Western Blot, Immunocytochemistry                                                           |
| <b>Recommended Dilutions</b>       | Western Blot, Immunocytochemistry                                                           |
| <b>Application Notes</b>           | Optimal dilution of this antibody should be experimentally determined.                      |
