IL-3R beta Antibody [DyLight 350]

| Product Information         |                                                                                                                                                                           |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                                                                                                    |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.                                                                               |
| Storage                     | Store at 4C in the dark.                                                                                                                                                  |
| Clonality                   | Polyclonal                                                                                                                                                                |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                        |
| Isotype                     | IgG                                                                                                                                                                       |
| Conjugate                   | DyLight 350                                                                                                                                                               |
| Purity                      | Antigen Affinity-purified                                                                                                                                                 |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                        |
| Product Description         |                                                                                                                                                                           |
| Host                        | Goat                                                                                                                                                                      |
| Gene ID                     | 1439                                                                                                                                                                      |
| Gene Symbol                 | Csf2rb2                                                                                                                                                                   |
| Species                     | Mouse                                                                                                                                                                     |
| Specificity/Sensitivity     | Detects mouse IL-3 R $\beta$ in direct ELISAs and Western blots. In direct ELISAs, less than 5% cross-reactivity with recombinant human Common $\beta$ chain is observed. |
| Immunogen                   | Mouse myeloma cell line NS0-derived recombinant mouse IL-3 R $\beta$ His23-Trp440<br>Accession # P26954                                                                   |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                         |
| Product Application Details |                                                                                                                                                                           |
| Applications                | Western Blot, Flow Cytometry, CyTOF-ready, Neutralization                                                                                                                 |
| Recommended Dilutions       | Western Blot, Flow Cytometry, Neutralization, CyTOF-ready                                                                                                                 |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                    |
