| Storage                     | Store at 4C in the dark.                                                                                                                                                                 |
| Clonality                   | Polyclonal                                                                                                                                                                               |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                                       |
| Isotype                     | IgG                                                                                                                                                                                      |
| Conjugate                   | DyLight 488                                                                                                                                                                              |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                       |
| Product Description         |                                                                                                                                                                                          |
| Host                        | Goat                                                                                                                                                                                     |
| Gene ID                     | 2348                                                                                                                                                                                     |
| Gene Symbol                 | FOLR1                                                                                                                                                                                    |
| Species                     | Human                                                                                                                                                                                    |
| Specificity/Sensitivity     | Detects human FOLR1 in direct ELISAs and Western blots. In direct ELISAs, less than 15% cross-reactivity with recombinant mouse (rm) FOLR1 and recombinant human (rh) FOLR3 is observed. |
| Immunogen                   | Chinese hamster ovary cell line CHO-derived recombinant human FOLR1 Arg25-Met233<br>Accession # P15328                                                                                   |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                        |
| Product Application Details |                                                                                                                                                                                          |
| Applications                | Western Blot, Flow Cytometry, CyTOF-ready, Knockout Validated                                                                                                                            |
| Recommended Dilutions       | Western Blot, Flow Cytometry, CyTOF-ready, Knockout Validated                                                                                                                            |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                   |
