Arginase 1/ARG1/liver Arginase Antibody [Janelia Fluor® 669]

| Product Information         |                                                                                                |
|-----------------------------|------------------------------------------------------------------------------------------------|
| Unit Size                   | 0.1 ml                                                                                         |
| Concentration               | Please see the vial label for concentration. If unlisted please contact technical services.    |
| Storage                     | Store at 4C in the dark.                                                                       |
| Clonality                   | Polyclonal                                                                                     |
| Preservative                | 0.05% Sodium Azide                                                                             |
| Isotype                     | IgG                                                                                            |
| Conjugate                   | Janelia Fluor 669                                                                              |
| Purity                      | Antigen Affinity-purified                                                                      |
| Buffer                      | 50mM Sodium Borate                                                                             |
| Product Description         |                                                                                                |
| Host                        | Sheep                                                                                          |
| Gene ID                     | 383                                                                                            |
| Gene Symbol                 | ARG1                                                                                           |
| Species                     | Human, Mouse, Rat                                                                              |
| Specificity/Sensitivity     | Detects human, mouse, and rat Arginase 1/ARG1 in direct ELISAs and Western blots.              |
| Immunogen                   | <i>E. coli</i> -derived recombinant human Arginase 1/ARG1<br>Met1-Lys322<br>Accession # P05089 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.          |
| Product Application Details |                                                                                                |
| Applications                | Western Blot, Immunoprecipitation                                                              |
| Recommended Dilutions       | Western Blot, Immunoprecipitation                                                              |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                         |
