| Clonality                   | Polyclonal                                                                                                                                                              |
| Preservative                | 0.05% Sodium Azide                                                                                                                                                      |
| Isotype                     | IgG                                                                                                                                                                     |
| Conjugate                   | Janelia Fluor 669                                                                                                                                                       |
| Purity                      | Antigen Affinity-purified                                                                                                                                               |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                      |
| Product Description         |                                                                                                                                                                         |
| Host                        | Sheep                                                                                                                                                                   |
| Gene ID                     | 6616                                                                                                                                                                    |
| Gene Symbol                 | SNAP25                                                                                                                                                                  |
| Species                     | Human, Mouse, Rat                                                                                                                                                       |
| Specificity/Sensitivity     | Detects human, mouse, and rat SNAP25 in direct ELISAs and Western blots. In direct ELISAs, approximately 5% cross-reactivity with recombinant human SNAP23 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human SNAP25<br>Asp140-Gly206<br>Accession # P60880                                                                                 |
| Notes                       | Sold under license from the Howard Hughes Medical Institute, Janelia Research Campus.                                                                                   |
| Product Application Details |                                                                                                                                                                         |
| Applications                | Western Blot, Immunocytochemistry                                                                                                                                       |
| Recommended Dilutions       | Western Blot, Immunocytochemistry                                                                                                                                       |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                  |
