| Conjugate                   | DyLight 350                                                                                                                                                                                |
| Purity                      | Antigen Affinity-purified                                                                                                                                                                  |
| Buffer                      | 50mM Sodium Borate                                                                                                                                                                         |
| Product Description         |                                                                                                                                                                                            |
| Host                        | Sheep                                                                                                                                                                                      |
| Gene ID                     | 201456                                                                                                                                                                                     |
| Gene Symbol                 | FBXO15                                                                                                                                                                                     |
| Species                     | Human                                                                                                                                                                                      |
| Specificity/Sensitivity     | Detects human F-box protein 15/FBXO15 in direct ELISAs and Western blots. In direct ELISAs, approximately 10% cross-reactivity with recombinant mouse F-box protein 15/FBXO15 is observed. |
| Immunogen                   | <i>E. coli</i> -derived recombinant human F-box protein 15/FBXO15 aa 298-434<br>Accession # NP_689889                                                                                      |
| Notes                       | DyLight (R) is a trademark of Thermo Fisher Scientific Inc. and its subsidiaries.                                                                                                          |
| Product Application Details |                                                                                                                                                                                            |
| Applications                | Western Blot                                                                                                                                                                               |
| Recommended Dilutions       | Western Blot                                                                                                                                                                               |
| Application Notes           | Optimal dilution of this antibody should be experimentally determined.                                                                                                                     |
